

OE3 General Election Recommendations CALIFORNIA

The following candidates and propositions are endorsed by Operating Engineers Local 3, so keep these in mind when voting in the **GENERAL ELECTION ON NOV. 5**. Also, if you have not registered to vote, please do so, as soon as possible. Most importantly, **VOTE UNION**. More endorsements will be forthcoming here, in mailings you will receive and online at oe3.org. Please pay attention to all of these materials, as they directly affect your jobs, your paycheck and your union. If a district or proposition is not listed, this means there is no endorsement at the time of printing. Check online, as this may change.
